- Get in touch with either your venue contact or our lovely central weddings team who will be able to provide the relevant information and arrange a venue viewing for you.
  - Following your viewing, the team will provide you with an initial quote and deposit details to help you budget accordingly.
  - When you are happy and ready to confirm, we will send you the payment link for your deposit and contract. This outlines your initial booking details, terms and conditions, and any restrictions the venue may have.
  - Once your contract is signed and deposit paid, congratulations, you have officially confirmed your wedding venue! Now the planning fun begins and you will receive a booking form to use as a wedding planner.
  - Our team will tell you the next steps from here, but in general, you will be contacted approximately 6 months before the big day to discuss a food tasting, how your plans have developed and discuss a run through of your day.
- Four weeks before your big day, we will need your final numbers and catering choices. We will then send you the final invoice and payment link to settle the remaining balance for your food and drink.
  - Then all you need to do is enjoy the countdown to the big day and drink, eat and celebrate your marriage!
